

MT378

The image shows a technical drawing of a stepped shaft. The shaft has a total length of 3-7/8 inches. It features a diameter of 1-1/16 inches for most of its length. There are two distinct steps: a larger diameter section on the left and a smaller diameter section on the right. The drawing is a simple line drawing with no shading or texture.

1-1/16 x 3-7/8
