About Us

Woodbury Supply Company and Millwork Masters has been serving the needs of homeowners, builders, and architects for almost 30 years. Our goal then, and now, is...

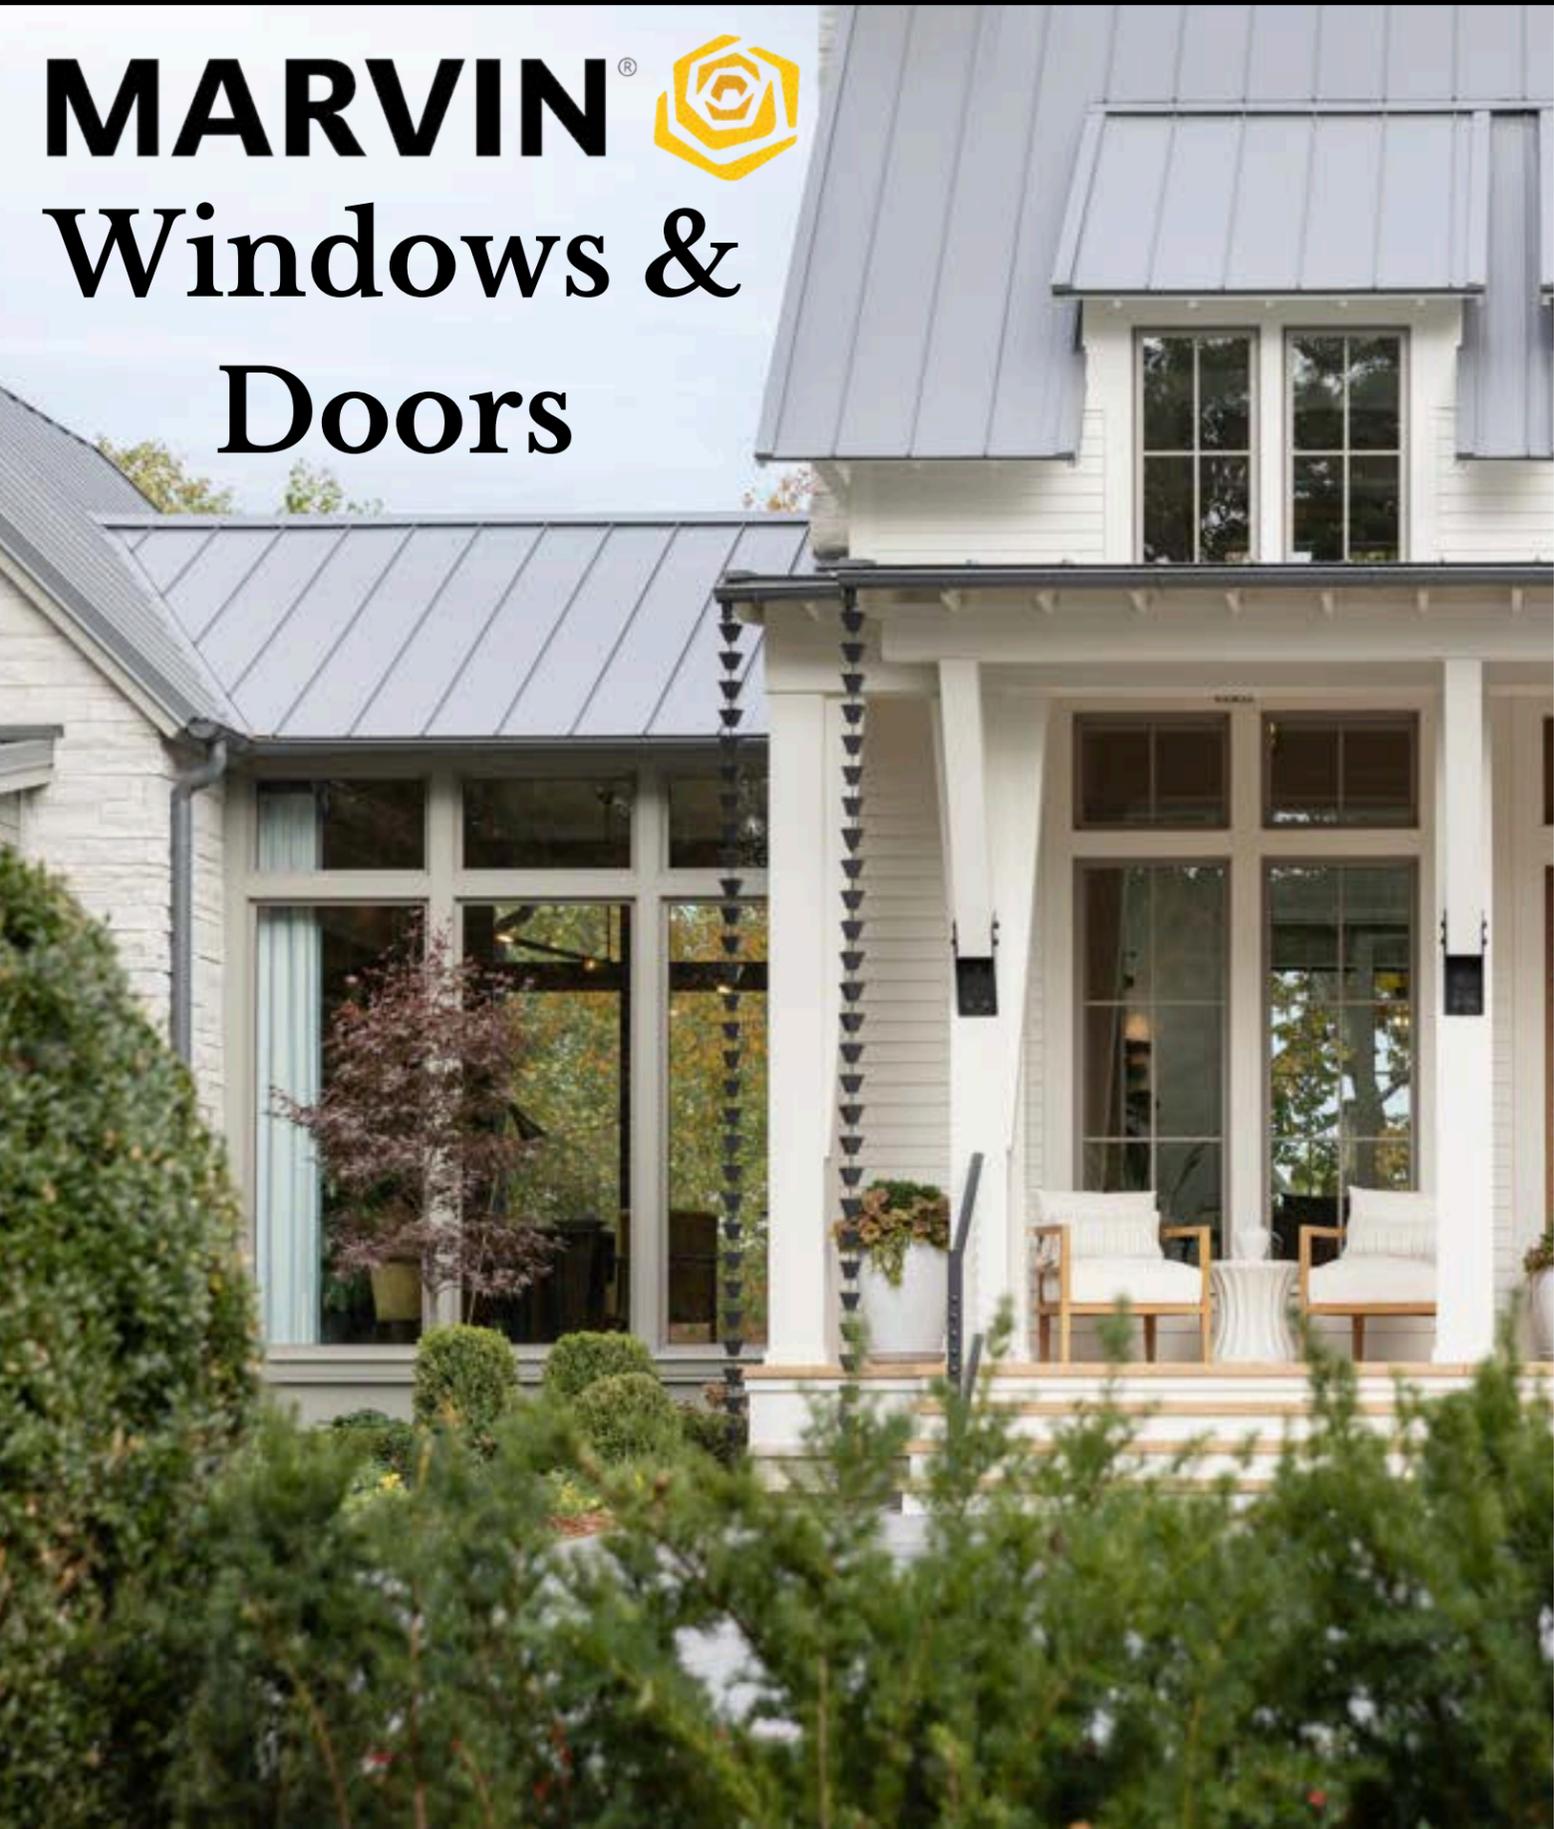

Combine top-quality products, dedicated workmanship, competitive pricing, expert advice, while putting the needs of our customers first.

Every day. Every customer. Every project.

With six locations throughout New England, our dedication and commitment are the same, and we've tailored our products and services to offer the **best** solutions to homeowners, builders, and architects.

MARVIN® Windows & Doors

Product Lines

MODERN

High-density fiberglass aluminum exterior & high-performance fiberglass interior. Offers a modern look with narrow sightlines & unobstructed views.

ULTIMATE

Aluminum-clad exterior and classic wood interior. Wide range of customization options and premium features.

ELEVATE®

Ultrax fiberglass exterior and wood interior. Balance of modern design, performance, and affordability.

ESSENTIAL®

Ultrax fiberglass interior and exterior. Focuses on basic, practical features and affordability.

Scenic Doors

Marvin Scenic Doors blurs the boundary between indoors and outdoors while providing virtually unlimited custom sizes, configurations, and design options that work together seamlessly.

Certified Installation

Our factory-certified technicians are trained to install Marvin Scenic Doors. This service ensures peace of mind, precise installation, and exceptional performance.

Retractable Screen Solutions

Sleek & Modern Designs

Phantom Screens are customizable and suitable for a broad array of residential applications - ranging from windows to patios.

Scan the QR Code for more information!

Innovation & Quality

Centor screens offer an aesthetic look, and are suitable for high-end residential applications where attention to detail is important.

Our Certified Install Team will measure and install your Phantom or Centor screens.

Doors

Wood Exterior Doors

Welcome your guests with an extraordinary entry door, the staple of a home. We offer a range of wood exterior doors to provide natural beauty in a variety of species and designs to customize the style of your space.

Scan the QR Code for more information!

Fiberglass & Steel Exterior Doors

Offering durability, low maintenance, energy efficiency, and security; Fiberglass and steel doors offer a wide range of benefits. Both materials offer a customizable look with various design options.

Interior Doors

With many different styles of doors ranging from traditional, modern, to farmhouse; interior doors are like the jewelry to your wardrobe. They come in a variety of materials and wood species.

Stock Interior Doors

1-3/4" MDF Interior Doors

Each primed stile and rail interior door has an engineered wood core for added strength and stability. The MDF veneer paints smoothly and resists dents, dings, and scratches.

1 and 2 Panel Doors Available In 6'8" and 7'0" height.

Stock Widths:

1'3, 1'6, 1'8, 1'10,
2'0, 2'2, 2'4, 2'6, 2'8, 2'10, 3'0

Door Shop

Our Door Shop has the ability to pre-hang a variety of interior doors including our stock 1-3/4" thick Masonite doors, TruStile doors, and 20-minute fire-rated doors. This feature saves you time and labor, making installation easier.
